6.2

6.4 Building Removal

Upon completion of removal or demolition of a building from a site, the old foundation shall be removed, any excavation shall be filled, the ground shall be levelled and the site shall be put in a safe condition to the satisfaction of the Development Officer.

6.5 Road Access

No permanent building may be constructed or placed on a site, which does not have legal access to an improved public road except as provided for in section 3.9 of PART 3.

6.6 Public Monuments and Cairns

Nothing in this By-law shall be so interpreted as to interfere with the establishment of public monuments and cairns.

6.7 Signs

6.7.1 The following accessory signs are permitted in any zone without the issuance of a development permit:

- (a) One identification sign not exceeding four (4) square feet in surface area per residential dwelling;
- (b) One identification sign not exceeding thirty-two (32) square feet in surface area per site for religious institutions and other non-residential buildings;
- (c) One business sign directing attention to a business not exceeding thirty-two (32) square feet in surface area for commercial or industrial sites;
- (d) Mobile or temporary signs not to exceed thirty-five (35) square feet in sign surface area per side for the purpose of advertising a social, community, family related event or directing attention to a business provided the sign is located on the same site as the event, is separated sixty (60) feet from a residential area, setback three (3) feet from site lines or fifteen (15) feet from corner site lines of intersecting streets and is permitted for a period of thirty (30) days which time may be extended by Council for an additional thirty (30) day period;
- (e) One bulletin board not exceeding sixteen (16) square feet in surface area per site for religious institutions, schools, community centres, etc.;
- (f) One temporary real estate or construction sign not exceeding sixteen (16) square feet in surface area per site;
- (g) Temporary posters, bulletins, legal notices and the like;
- (h) Directional signs for parking and loading; and
- (i) "No hunting" or "No trespassing" signs not to exceed ten (10) square feet in sign surface area.
