

# Information and Education Session Detail Design of PTH 10 and PTH 83 Intersection Improvements in Swan River

Come see the Detailed Design  
for the new Swan River Roundabout!

Manitoba Transportation and Infrastructure (MTI) is improving the intersection at PTH 10 and PTH 83 to increase safety and traffic flow. We are hosting an Information and Education Session to share the Detailed Design with the community.

## Join us to:

**Learn about the Project:** View the detailed design boards and see how the new roundabout is built to accommodate large semi-trucks, farm equipment, and pedestrians.

**Meet the Team:** Ask questions and discuss the project with the Project Team.

**Share Your Knowledge:** We are finalizing the design and planning for construction in 2026. We need your input on:

- Local events or festivals we should know about.
- Peak traffic times, such as seeding or harvest seasons.
- Special equipment movements in the area.

## Date

Tuesday, Dec. 16, 2025

## Time

4:00 p.m. – 8:00 p.m.

## Location

Veterans Community  
Hall, 119 6 Ave N, Swan  
River, MB R0L 1Z0
